**PLAINTIFF NETLIST’S REPLY IN SUPPORT OF MOTION TO EXTEND
DEADLINE (DKT. 165)**

Prior to filing its motion, Netlist sought to discuss an extension of HBM-related and damages reports with Micron’s lead counsel that would not burden either party. Micron rejected it (beyond a three-day extension) and said there was not time in the schedule. Netlist tried to build time into the schedule that did not punish either party. Micron has now proposed a two-week extension for both parties’ reports. Netlist is agreeable to Micron’s two-week extension proposal for all opening expert reports.

This should have never required a motion.
